PRAYAG, TOUCHING LIFE EVERYDAY.

Our story began in 1986 when we empowered ourselves with a vision, dared to design the future and create a company with an aspiration of being a leader. The mission gave us a sense of direction and destination to pursue further for those milestones. We accepted the challenges that came our way, adapted to the dynamism of the fast changing world of need and technology.

That was the time we pioneered in introducing the revolutionary P.T.M.T. Bath Fittings to start our journey of success. We never looked back and stormed into the future with an objective to create benchmarks for every field or product category we enter into. Today with an expansive range of 9 categories of product, more than 4500 SKUs and a network of over 15000+ Retail Outlets, we are among the front runners in the business of sanitaryware, chrome plated bathware, P.T.M.T. Bath Assets, kitchen sinks, plumbing pipes, hardware, water tank & Geysers.

Our vision and values guide the choices and decisions of our employees, associates and above all our discerning customers make, as we touch their lives every single day.

The 9000, 8000, 7000, 6000 & 5000 Series

Presenting the all new exclusive new 9000, 8000, 7000, 6000 & 5000 Series of chrome plated faucets and accessories. Meticulously crafted superior quality range that harnesses the spirit of water and pays a tribute to this wonderful life-giving resource. This series is a perfect and rare combination of timeless modernity and functional desires. Using top quality thicker electroplating and high quality components, these products are designed to perform trouble-free for years.

The series is beyond imagination, beyond style and beyond luxury. In short, a breathtaking collection you'll actually fall in love with !

Sustainability

Prayag is doing its every bit to create a harmony and balance for a coherent eco system for the future generations. The company has been constantly using cutting edge technology, innovating processes and offering eco friendly alternative solutions, as their responsibility towards mother earth. and above all, there is a constant endeavour to imbibe and cultivate ethical and moral values in our cultural and social system with a refined and honest conduct.

Road to Success
